**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 22 You shall participate in the home confinement program with electronic monitoring for 60 days. You shall abide by all the requirements of the program, which will include electronic monitoring or other location verification system. You shall pay all or part of the costs of the program based upon your ability to pay.

**CAUSE**

Joshua Perrigo violated standard condition #8 of his supervised release supervision by frequenting places where controlled substances are illegally sold, used, distributed, or administered, on or about April 28, 2007.

On May 2, 2007, the offender agreed to be interviewed by Drug Enforcement Administration (DEA) special agents in the U.S. Probation Office. Initially, the offender denied transporting illicit drugs or having any knowledge of illicit drug dealing, and/or associating with any person involved in trafficking. Eventually, he admitted to knowing individuals in the community who continue to deal drugs. Specifically, he advised that his cousin asked for a ride to deliver drugs to another individual while in Clarkston, Washington. Mr. Perrigo admitted to viewing the methamphetamine in his cousin's possession before he delivered the narcotic to another individual. This activity occurred while the individual was visiting family in Clarkston, Washington.

The undersigned officer terminated the interview when the offender refused to implicate himself more during questioning with law enforcement. Subsequently, the offender was directed to seek legal advice from defense counsel before answering any more questions. It is noted, Joshua Perrigo was mirandized prior to agreeing to the interview with DEA agents.

**Re: Perrigo, Joshua Wayne****June 27, 2007****Page 2**

**AS AN INTERMEDIATE SANCTION:** Joshua Perrigo was directed to remain within the Spokane County city limits and not travel to the Lewiston, Idaho or Clarkston, Washington area without receiving permission from the undersigned officer. In addition, he agreed to participate in the home confinement program with electronic monitoring.

It is respectfully recommended that the attached waiver of hearing to modify conditions of supervised release be adopted to require Joshua Perrigo to participate in home confinement to include electronic monitoring. The offender appears genuinely remorseful and agreed to adhere to the Court's determination in this matter.

Your Honor, it is hoped that the intermediate sanction imposed meets your expectations. The undersigned officer remains convinced the offender is amenable to supervision. However, in the event that you choose to have a warrant or summons issued, please advise and the undersigned will prepare the appropriate petition and present it for your signature.

Respectfully submitted,

by

Tommy Rosser

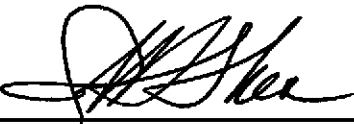

U.S. Probation Officer
